

Invacare[®] Manual Wheelchairs

Overview:

The course is aimed at those wishing to gain knowledge on Invacare's manual wheelchair range. This one day course provides an overview of the range, looking at wheelchairs for medium active and passive clients. The course will also involve a general guide to product set-up, looking at how to correctly measure and spec a chair, along with a guide to completing prescription forms for wheelchairs.

Course Content:

- Overview of Invacare's manual wheelchairs
 - Medium active
 - Passive
- Product set-up
- Overview of the prescription form process (plus on-line forms)
- E-spares on line

Who will benefit from the course?

- Occupational Therapists
- OT Assistants and Occupational Therapy Students
- Rehab Engineers
- Invacare Dealers

Course level: Basic

Price: Free of charge
